Paua Conference 2017, August 24th & 25th, NELSON

Dear Paua industry stakeholder,

There is so much happening at the moment that we struggle to keep our industry up to date. The PIC Directors have decided the best way to keep people informed is to get everyone together so they can hear from the experts. With this in mind, we are holding a Paua conference in Nelson on August the 24th and 25th.

If you are thinking of attending can you please register at your earliest convenience. Last minute registrations play havoc on the organisational committee.

Attached is the draft of the conference sessions – these might alter slightly. There are a wide range of topics covering the most important issues our industry is facing. Many of our presenters are world leading in their field.

Programme Schedule:

Wednesday 23rd August 2017:

9.00am until 4.30pm – Paua Science Day - open to NZ & Australian abalone scientists to discuss TACC setting, the use of CPUE and Harvest Control Rules.

Wednesday 23rd August 2017:

3.00pm until 7.00pm – PIC Directors meeting.

Thursday 24th August 2017 - Conference Day 1 - Sessions to be held at Trailways Hotel commencing at 10am and concluding at 5pm.

Thursday 24th August 2017 - Evening

6pm – PauaCo Happy Hour, Moana sponsored guest Speaker Graeme Sinclair, Conference Dinner

Friday 25th August 2017 - Convention Day 2 - Sessions to be held at Trailways Hotel commencing at 9am and concluding at 3.45pm.

Costing:

The Registration cost for this Convention is \$385 (including GST) per head. This includes admission to all conference sessions on both days (include morning & afternoon tea and Lunch), plus the conference dinner on the Thursday evening.

Partner registration to attend the Conference dinner is \$85 – this includes the welcome drinks and the dinner.

Conference Registration:

You can fill out the form attached and forward it to our business manager Helen Regan. Helen will then email you an invoice which you can pay via electronic banking or cheque.

Accommodation:

The conference is being held at Trailways Hotel. They have provided an extremely good room rate. These rooms will be on a first come first served basis (you will need to ring them to book your room – make sure you specify that you are attending the Paua Conference to get the special room rate).

Trailways also own Delorenzos Studio Apartments (across the road from Trailways) and the Quality Inn (which is 15 minutes easy walk to Trailways) so there are other room options available if required. Trailways will extend their special room pricing for the nights before and after the conference (we have block booked the hotel for the night of Thursday 24th). So if you want to get into Nelson on the Wednesday or stay around the Nelson area for the Saturday/Sunday then the room rate of \$145/night stands for these extra nights as well.

HOTEL	Special Rate	promo code	Direct contact
Trailways Hotel 66 Trafalgar Street, Nelson	\$145 / night	Paua Conference	Phone: 03 548 7049 enquiries@trailwayshotel.co.nz

Delegates are required to book their own accommodation.

This will be a unique chance to meet, socialise and learn. We look forward to seeing you there!
